Senior Room - Geometric Designs

Kia Ora Families and Community,

A massive well done to all of our students for their performance at Small Schools Cross Country on Monday. I know I have said it on Facebook and further on through the newsletter, but the attitude and behaviour of all of our children was outstanding! It makes us proud to call ourselves Waiwerians!

We have had a few events in the past few weeks that we have taken children to, and at everyone of them the children have been polite, engaged and enthusiastic. Well done kids, you are all awesome!

Last week the whole school went to SOHS to listen Brando Yelavich talk. Some of you may not know of Brando, he is an inspirational adventurer who has overcome some struggles to find his passion and drive for life - which is adventuring. Brando was the first person to circumnavigate New Zealand on foot, an adventure that took him 600 days. Brando spoke to us about goal setting, using your emotions (and showing emotion) and the importance of people in our lives. He had some very funny stories that he shared and I am sure that all of the children left with some interesting or insightful idea.

We had 6 senior students who were lucky enough to stay on and attend a writing workshop with Brando - they talked in more depth about goal setting and being realistic about achieving them - and also that it is ok to reset your goals if you find they are not quite right for you.

The year 5-6s had their New World Netball tournament last Thursday - they played brilliantly as a team - their skill level improved throughout the day and they ended the day 2nd overall. Top job Yr 5-6s. On Friday the yr 7-8s had their version of the tournament, again the children were fabulous and worked brilliantly as a team - a lot of fun was had by all, the team did not place but had a great day of teamwork.

We have a super fun event planned for after SOPSSA - because the children have all trained so hard and set themselves such good goals we thought we would top it off with a bit of fun - you guessed it A WHOLE SCHOOL COLOUR RUN
We will require a bit of help with this - more information will follow - if anyone in the community would like to come along and be involved we would love to hear from you.

School sores (aka Impetigo)

There have been a couple of cases of School Sores lately at school. Please be aware as this is a highly contagious skin infection. Some key points to be aware of...

Key points...

1. Impetigo is a very contagious skin infection. This means it easily spreads from one person to another.
2. Impetigo is found generally on the hands and face, especially around the nose and mouth. It can also affect other areas.
3. Children should see a doctor for assessment and treatment. Careful cleaning of the sores and the use of antiseptic or antibiotic cream may be advised. Sometimes oral antibiotics are prescribed.
4. Children should be kept away from school or daycare until the sores are healed, or as advised by your doctor.

Friday 31st August

Congratulation to Florence from the Junior Room, Kordelia from the Senior Room and Chase from the Middle Room for receiving value and key competency certificates in Assembly on Friday. Florence and Chase both received their awards for the value of responsibility and Kordelia received her award for the key competency of managing self. Well done to these three students and keep up the fantastic work.

A Box for Every Maker

What is MakerBox?

MakerBox is a new initiative focused towards developing new opportunities for children to become creative and innovative. We're helping children to engage within a new form of technology, all about **making**, rather than **consuming**!

How to Buy?

Sign-up for a specific period of time and your child will receive a new MakerBox project in the post every month. Visit www.MakerBox.co.nz

What are MakerBoxes?

MakerBoxes are a DIY Box that contain the instructions and materials required to create a specific electronic project. These boxes are designed to encourage creative thinking and experimenting.

Some Photos from Monday 13th August 2018
at Small Schools Cross Country

We were lucky enough to take the whole school to listen to Brando Yelavich aka Wildboy speaking at SOHS last Tuesday. He shared with us many of his life stories and spoke of his life changing adventure where he walked solo around the NZ Coastline, taking 600 days. Brando shared with us many messages but a few were the importance of having goals, never giving up and doing what makes you happy. Thank you Brando for coming to visit and sharing your inspiring story.

FUNDRAISING TO HELP SPREAD THE SEASON OF GIVING...

Operation Christmas Child (OCC) is a great initiative that Waiwera South School will be taking part in this year. OCC collects shoeboxes filled with gifts and delivers them to children in need around the world. This is a fantastic way to see the children here at school relate so well to the idea of helping and doing something positive for children that do not get Christmas gifts.

Each box contains the following...

- Something to Love
- Something to wear
- Something for School
- Something to play with
- Something for personal hygiene
- And something special

With your help we would like to fill these boxes with lots of TLC from Waiwera South.

As part of a small fundraiser we would like to offer the two “whole school” photos in a digital format emailed to you for a donation of \$5 or more if you wish.

Please contact Nic at the Office if you are interested in making a donation of any amount. office@waiwersouth.school.nz or 03 4157 973
