**SMALL SCHOOLS ATHLETICS 2018**

Kia Ora Families and Community,

What a busy but fabulous few weeks we have had getting back into the swing of school. We were lucky enough with the weather to have two brilliant days out exploring what an amazing community Waiwera South School is based in. These two days will be the basis of our enquiry Belonging, I expect some great learning and ideas to come from these visits and the following discussion. The children are currently working on some Sarah Platt inspired artwork to depict some of the things we saw while we were out and about. A huge thank you again, to the property owners The Carol, the Shaws, the Andersons and the Whitesides for opening up your properties to us and showing us what goes on in the various farming types. Also to the parents and staff who drove us around on the tour of Waiwera South.

Those of you who have been into school may have seen the big changes around at the back field. During the holidays the Hilly Billy's trees were removed and chipped, it has opened up the field and let a whole lot more light in. A huge thank you to Bill Harris who donated his time and machinery to get this job done - also to Craig Whiteside who has donated his time and equipment for the cartage of all the woodchips, and harrowing to clear the site. It looks great around there and has really increased the size of our back field. Thank you very much Bill and Craig.

As most of you are aware the Waiwera South Community Pool underwent a major upgrade over the summer - it is now up and running, and superb! We would like to invite all community members to a fun afternoon, pool party and barbeque to celebrate the opening of the refurbished pool. We would love to see you there on Friday March 2nd at 5pm onwards! Basic barbeque food supplied - BYO drinks and extras. More information to follow.

We have another busy few weeks lined up, with Activator visits, Transition to School, swimming and training for SOPSSA.

Have a super few weeks,  
Ngā mihi nui  
Kaz Bissett

Please either contact Anna Whiteside (0274157194) or Julie Wendelgelst (0276694023) or get in touch with the school office.

**South Otago Primary Schools Swim Champs** are coming up on the 7th March at 4.30pm at the Balclutha Centennial Pool. We have sent home notices to the children that were keen, if your child has not brought home a notice and you would like them to take part please contact Kaz ASAP for a form, entries are due now. The children need to be able to confidently swim 2 lengths of the pool in the correct stroke to enter. There is a \$6 entry fee per child.

## BALEAGE DRIVE

The annual Waiwera South School Baleage drive is about to get underway, our BoT will be ringing people soon to see if you are able to donate any feed to the drive this year. We understand it is a tough year for feed and really appreciate anything you are able to donate.

You may be aware of the nationwide crisis in recruiting and retaining teachers.

Children need teachers with enough time to teach so they can give each child the attention they deserve, and children need talented and inspiring people to be attracted to teaching.

Children are missing out on some opportunities to learn because teachers are bogged down in administration or are struggling to get enough support for children with additional learning needs.

Teachers at our school are joining an NZEI Te Riu Roa campaign, called Kua Tae Te Wā – It's Time to address these issues.

Our goal is to free teachers to teach, and principals to lead, by getting the additional support and staff that schools need. And we'll attract more people to teaching by respecting and paying them as the professionals they are. NZEI Te Riu Roa members at our school have been invited to paid union meetings in March so that we can plan and discuss the campaign and their upcoming collective agreement negotiations.

The meeting schedule has been planned so that teachers and principals across the country can work out the best meetings for them to attend, including the option of groups of teachers attending meetings at different times. This is to help reduce disruption to teaching programmes, children and parents.

Our children deserve the best education in the world, and New Zealand can afford to provide it. It's just a matter of priorities.

Thanks for your co-operation in this important matter.

## Recycling

Waiwera South School is trying to do its best with recycling and keeping our environment looking the best it can.

We have bought in some new initiatives at school. Waiwera South School has become a registered collection point for Fonterra pouches and Glad/Gladware products. These are products that cannot be recycled in the normal yellow bins.

There are collection bins outside the Middle Room, if you have any recycling at home, send them to school - clean - and we will get them recycled for you.

The children will be encouraged to leave their yoghurt pouches and pottles in the bins after play and lunch. We do encourage you to think about the amount of packaging and rubbish that is in your school lunches.

### FONTERRA POUCH RECYCLING PROGRAMME

Whooping Cough - Pertussis, we have received information from the SDHB reminding us that Whooping cough is still prevalent in the Otago area, the best defence against contracting Whooping cough is vaccination. Vaccination is free for:

- Pregnant women in the third trimester. This helps protect mother and baby in the first weeks of life but needs to be repeated in each pregnancy.
  - Babies at 6 weeks, 3 months and 5 months - on time vaccination is best
  - Booster for children at 4 years and 11 years of age.
- If you think your child may need a booster, contact your GP

## Athletics

On Wednesday the whole school went to South Otago High School in Balclutha for the athletics. We could feel the wind swishing past us and sweat dripping down our cheeks as we ran. People were cheering and watching us. We could smell coffee when we were running. We could see the finishing line creeping closer and closer. When we were finished we could taste watermelon dripping down our chins.

## Waiwera South Community & School 150th Reunion

It's been a while since we have had an update, but the reunion committee are definitely busy behind the scenes getting things organised for the big day next year.

The wonderful Helen Telford has agreed to write the booklet that will follow on from our previous 121st reunion book (written by her mother Ruth). As you can imagine this is a large project to undertake, we as a committee are extremely grateful for. We would like those people who were either a pupil, teacher, or principal of the school and also those who lived in the area who have memories to share to please sign up to our Facebook page **150th Waiwera South Community & School Reunion** and post your memories and photos there on the page so that we can forward this information onto Helen. If you do not have facebook if you could send any information, memories or photos along to school we could get these to the Committee and Helen for you. Keep a look out for some photos - you never know, you may spot yourself in some!
