Kei kā kupu mai i te tumuaki

Crickey, this year has flown by - this term in particular.
He tino pukemahi inaianei. (It's so busy just now.)

It's crazy to think that this time a week ago we were just getting over Quadrathon. A MASSIVE thank you to everyone who was involved in the running of our quadrathon. It is a truly magnificent day to be part of, and everyone comes together so well to showcase Waiwera South, and to ensure all the children have a great day competing in our iconic event. A huge thank you to Lauren and Leanne who put in hours of extra work around their teaching to get everything planned and programmed so the day runs so smoothly. It is a mammoth undertaking!

It is so good to see the children swimming again, the pool is getting up in temperature and they are all very happy to swim at the end of the day. Remember if you would like a key for the summer come in and see Cindy at the office.

Everyone is busy practicing for the end of year performance, a note will come home to families outlining what their children are doing and if anything is required from home.

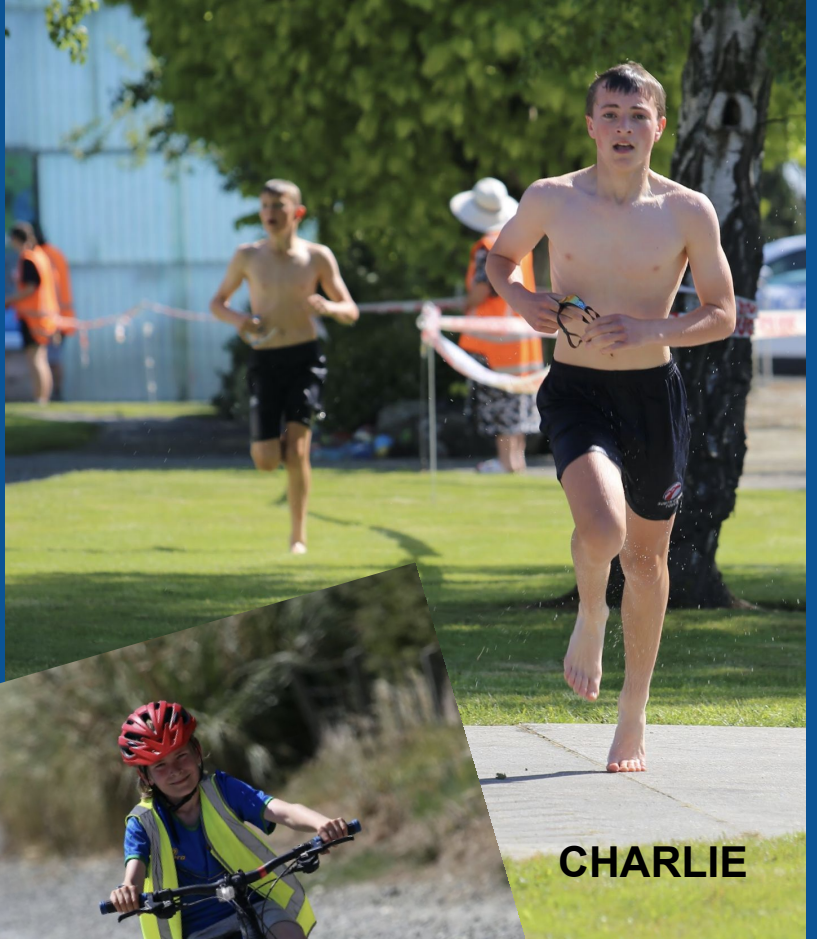

The Senior Class is busy getting the last bits of organising completed for the school sleepover - there is an awful lot of planning involved in running an event at school - they will send home the final information very soon.

Have a super last few weeks of term.

JUNIOR QUADRATHON 2023

The juniors held their Quadrathon on Wednesday. It was so great to see the kids trying new things and supporting each other.

Senior Room Roof and Window Upgrade

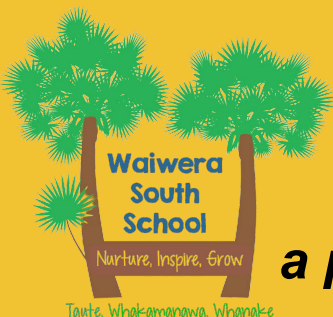

The upgrade in the Senior Class continues, the roof and insulation have been replaced/upgraded, the windows and doors are all installed. The last of the painting is getting completed this week - we are now waiting for our new light fittings, a bit of new furniture and Autex for the walls. It is going to be a much warmer, more comfortable space when completed.

We would love you to join us at the

The Annual Return-athon

It's that time of year when we ask you to look under your couch, in the car, behind the bookshelf etc to see if you can find any resources that belong to school.

We would appreciate if you could have everything that belongs to school returned.

Library books, all school sports tops, reading books, hockey sticks etc. It is never too late - we love getting school equipment back.
