ON 19TH MARCH**

Kei kā kupu mai i te tumuaki

Kia ora rā e te whānau o Waiwera South.

He tino pai kā tamariki, he tino waimarie tatou.

Our children are so good, we are so lucky! We have had a fabulous few weeks of sports, camps and learning - it has been so good!

Wowee it is Autumnal already! That season change happened in a fast rush.

The SMiddle class had an amazing four days away at camp in Wānaka recently - where they did a huge variety of activities. They have spent this week completing their learning and follow up activities about camp and are looking forward to presenting these items this week at assembly. A huge thank you to Miss Chapman for creating such a super camp, and to our amazing parents who came along to help out - including those who came up on our "Lake Day" with their boats to help create some amazing experiences and memories for our children. You will be able to see how fun it was by some of the photos!

We had SOPSSA on Wednesday - our children as usual were fabulous representatives of Waiwera South School and had some great performances, congratulations to our six competitors. A massive thank you to our parent helpers here too! The day wouldn't run without your help!

This week the SMiddle class competed at the South West Otago Triathlon in Ōwaka and everyone tried their best.

The children are continuing on with their learning around making our school more sustainable coming up with some great ideas about what we can be doing as individuals to make a difference on a larger scale - watch this space to see what they come up with next.

I am away at Outward Bound this week, completing some leadership professional development, Lauren and Leanne will run the ship.

Noho ora Mai
Kaz Bissett

WANAKA SCHOOL CAMP

The Smiddles and their adult helpers had an amazing week away in Wānaka last week. The weather was perfect, the sun came out each day and challenges were faced! Some of our activities included: Amazing race around Wānaka, Bike Glendhu, Wild Wire, Archery, Lake Day and the Water Park. Well done Smiddles on a fabulous week away!

SCARECROW MAKING

The students have started working on their entries for the Clinton Scarecrow Competition.

TRIATHLON

The Smiddles were fierce competitors at the South West Otago Triathlon.

WASTE WARRIORS - TOOL TIME

As part of waste warriors the Middles have started "Tool Time". This involves bringing in an old broken electrical item, (that could end up as landfill) to deconstruct and then reconstruct as a robot themed sculpture. Some of the items we are using include: a washing machine, drills, a fan and a water pump. The deconstructing has been so much fun, and learning about tools and tool safety is an important part of this project. We can't wait to see the finished robot sculptures.
