WEE ONES**

PRE-SCHOOL
PLAYGROUP

FRIDAY 2nd August

Come for a casual morning to meet new parents in the area with preschoolers.
There are fun things for the kids to participate in, no matter what age.

10am - 12pm

Come along to keep this group going!!!

Please contact Madeline Anderson ☎ 027 4626 184 for further information.

Kia ora i te whanau o Waiwera South,

Welcome back to Term 3! The year sure is whizzing by. I hope you managed to get a bit of rest and relaxation during the holidays, the children have all come back revitalised and raring to go!

As you can see the term calendar is pretty full already, we have interviews next week, a note came home yesterday for you to book a time to see your child/children's teacher/s. In week two the Year 6 students have Clued up Kids in Balclutha. The year 5-8's have the annual netball tournament in week three and we are all busy training for Small Schools Cross Country which will be held in week 4! Whoa - what a crazy start. This does mean we will be on the scrounge for some parent support and transport!

As we are training everyday for cross country please can you ensure your children have shoes suitable for running in with them. If they wear their gumboots - please make sure their sports shoes are in their bags.

This term our school inquiry focus is an environmental one, looking at Reducing, Reusing, Recycling and what we can do as individuals to help out. It will have many aspects to it, looking from Social Science, Science, Technology and Statistics angles (plus others). Laura Gourley from the Clutha District Council was out at school today doing a 'Waste Audit' with the children, we will be looking at the 'stats' of our waste and how we can manage this better.

I am continuing to try to track down a teacher to come in and teach our children guitar/ukulele and piano, I will keep you informed as I find out more. There could be options for subsidised lessons if all goes to plan!

A reminder we have the Community Potluck Dinner this Friday we look forward to seeing a big cross section of our community here before calving and lambing gets too serious! See the information in the newsletter.

A huge "THANK YOU" to Faye Holden who has offered to come along and help the kids in the school garden, it will be fabulous to get it up and running and all set for spring. If anyone else is keen to come along and potter with Faye and the kids, contact us at school - the more the merrier.

The Senior Class is going to be starting a new round of Genius Hour projects this term, we may be looking for help and expertise in a variety of creative areas. - Keep an eye on the newsletter, you never know we might be after someone with exactly your skill set.

Heoi anō tāū mō nāiainei, that's all for now.

Kaz Bissett

Sinead Leahy
International
Capability and
Training Coordinator
NZAGRC

Sinead is the International Capability and Training Coordinator at NZ Agricultural Greenhouse Gas Research Centre (NZAGRC) and the NZ representative of the Livestock Research Group of the GRA for Greenhouse Gases.

Originally from Ireland, Sinead gained her PhD from the University College Cork in 2005 and moved to NZ in 2006 to work on ruminant nutrition and microbiology. Her research interests focus on increasing our understanding of the science needed to develop practical and effective approaches to reducing methane emissions from ruminant livestock in NZ.

Sarah is a passionate rural advocate and is widely regarded as a leading voice in rural media. She is former producer and co-host of RadioLIVE's Rural Exchange (REX). Sarah was also a finalist in the Westpac woman of influence awards.

Sarah Perriam
Presenter

During her time as a rural media producer, presenter, and director, Sarah learnt so much about not only the efforts farmers go to—to produce a premium, grass-fed, ethical product—but also the challenges they face to tell their story in a fair and balanced way.

Penny Clark-Hall
Founder
Social Licence
Consultancy

Penny is the founder of NZ's first Social Licence Consultancy, which helps farmers and agribusinesses earn and maintain their Social Licence to Operate (SLO).

She says her farming background has been the primary drive behind her passion to help the sector earn and maintain its SLO. Penny is passionate about empowering businesses to understand their social footprint and earn their social licence to operate.

Central Otago based, Kate is an Executive Director of Landpro Limited, a planning and surveying company she jointly founded in 2007.

Kate Scott
Executive Director
Landpro Limited

Kate is passionate about the primary industries and the environment, and works across a broad range of sectors, including dairy, sheep and beef, horticulture and viticulture. Kate is also a Nuffield Scholar. Kate's Nuffield Report looks at 'Enabling Better Environmental Outcomes in Agriculture'.

Janet Gregory
South Island Team Leader
NZ Landcare Trust

Janet is a strong advocate for local water catchment groups. She has been an integral part of establishing many catchment groups throughout the South Island. Janet's current position with NZ Landcare Trust as South Island team leader, has her supporting farmers and landowners on several sustainability initiatives.

Janet is passionate about agriculture and the environment and believes we can do more for both through collaboration and connecting people.

SENIOR ROOM...

The Senior Room were busy at the end of last term creating some alien art - Here are their creations upcycled out of all sorts of findings & rubbish, from paper mache parts, plastic bottles for arms to horseshoes for legs.
