Kei kā kupu mai i te tumuaki

Kia ora e te whānau o Waiwera South

It has been another full on and busy term! The children have packed a lot of learning and activities into this term and I think are well and truly ready for a break.

Yesterday we managed to hold our colour run after a postponement - it was such a fun day, the weather was great and the children all had a blast! A massive thank you to all the parents who came along to support and 'throw stuff at kids'.

It was a great way to celebrate an amazing term, and all our hard training for the cross country. I am still super proud that our school of 33 managed to get 5 children qualifying for the Otago Cross Country Championships in Otago!

Last week we headed down to the river to continue our planting - it is looking so good, as the trees and plants grow in, it is starting to look really effective from the road as well.

Over the past few weeks we have begun looking at culture and what it means to us, and different cultures around the world.

So far the classes have looked into Italy, France, Mexico, Australia and Japan. We have learnt lots of interesting facts about these countries. This will continue into next term.

Have a safe and happy break! We look forward to seeing you all back refreshed and ready to learn on Monday October 9th.
