This is one of our major fundraisers and we would love to see help from ALL school families if possible. Any help, even if it's only half a day is greatly appreciated.

LOOKING FOR NEWSPAPERS

NOTE FROM THE PRINCIPAL

Kia ora koutou,

Kei te tumanako ahau i pai koe ki o hararei. I hope you enjoyed your holidays.

It is fabulous to see the sun out again after our very average, grey and wet last week of the term break! The children have been having a lovely time back at school being able to play outside in the sun. Although the weather was a bit bleak it has been great hearing all the stories of the great outdoorsy active things the children got up to during the holidays - it is always great for them to have time to just be a kid, play and get muddy. It sounds like quite a bit of this was done during the break.

This week we are busy gearing up for Pet Day on Friday. We hope many of you can come along and share the day with us it will be a fun day to share with the children as they share their knowledge about their pets and show us some of their crafts, baking etc.

If the weather is horrible (fingers crossed it isn't) we will go ahead with the inside part of the day, but pets unfortunately will have to stay home. We will make the call on the morning of Pet Day if we have to!

A big welcome to Kiara Cambridge-Anderson who has joined the Junior Class. It is so exciting to have you here Kiara, we look forward to lots of happy times and memories being created at Waiwera South School.

We do have another crazy busy term planned. We try to keep disruption to a minimum, but somehow manage to fill our days up with all sorts of great learning experiences and events for the children to be involved in. Keep an eye on the website as we do try to keep the calendar up to date. We will be asking for a wee bit of transport help to get to events, and also help for the Quadrathon. We really appreciate all the help we get from you in these areas.

This term, amongst other things, we will be looking at different types of dance - we hope to share with you a variety of dance and some more treats at our end of year break up. We will continue on with our whole school gardening, hopefully growing some more delicious produce to share.

THE SUNSHINE IS COMING!!!

Elwing Discoveries

* * STEWART ISLAND CHARTER YACHT * * *

In the holidays I had the opportunity to attend the Elwing Discoveries trip in Stewart Island. It was such a great experience, meeting new people, doing new things such as climbing high onto Dynamite Point and of course becoming a great leader. I would like to thank the Clinton Lions because I couldn't have done all of those amazing things if I hadn't of gone.

Thanks again,
Julienne Dacones - Year 8
